**From the Pastor...**

**M**y Dear brothers and sisters in Christ,

St. Paul's letter to the Corinthians encourages us to "Strive eagerly for the greatest spiritual gifts." He talks about the importance of love and what love entails. You might think, "I know how to love!" Really? Let's listen again: Love is kind and patient. It doesn't brag and get puffed up. It's not quick tempered, rude or self-serving. Love doesn't brood over injuries. It takes no joy in doing wrong, but rejoices in the truth. Then he concludes: "Love bears all things, hopes all things, endures all things. Love never fails."

From Paul's description we can see that love is more than a feeling. Don't get me wrong. Emotions are important. We move on an ocean of feelings. Like waves they toss us one way and then another. We should do everything we can to promote positive emotions. But when all is said and done, love is not a feeling. Love is a decision. Even more, love is grace: something beyond human capacity. St. Paul calls love a charism - a gift from God. We have to ask God for that gift.

You have probably heard about the studies showing that couples who go to Mass together have a much greater possibility of a lasting marriage. If a couple worships together and prays together every day, that marriage is practically unbreakable. Even something as simple as joining hands for an Our Father or thanking God before meals; if a couple prays together, the marriage will last. Romance is good, but marriage needs something more: it needs Jesus!

We have a great opportunity to grow in our understanding and practice of love through our Parish Mission. Please keep praying for it's success and preparing to attend each nights talk.

*In Christ, Fr. Dan*
