### **Is it necessary for us to practice Religion?**

It is absolutely necessary for us to practice religion; God gives us no choice in the matter. 1. Our chief business in life, the business which God commands us to attend to, is to go to God. And this depends on our practice of religion. It is by religion that we fulfill the purpose for which we were created. By believing what God has revealed, we know God. By knowing God, we cannot help but love Him. By practicing what we learn and obeying God's commands, we serve Him. "He who has my commandments and keeps them, he it is who loves me" (John 14:21). 2. Many people spend their lives in a vain pursuit of riches, honors, and pleasures. But these never satisfy the heart of man even on earth. Besides, they have to be left behind when the hour of death comes. "For when he shall die, he shall take nothing away: not shall his glory descend with him" (Ps. 48:18)

**What does it say and mean to me? How will this information impact my life and how I will live my faith?**
